

Austin Deaf Club NEWSLETTER

JANUARY
2018

President's Tidings Jo Bienvenu

My ending comments in our newsletter every month...

January 2017

We value each of you. Life is short and a kind reminder-- - appreciate many little things that make your life so enjoyable! Love your volunteerism, as you will find pleasure in the feeling of rewarding yourself.

March 2017

"A positive attitude will have positive results because attitudes are contagious"- Zig Ziglar

April 2017

Be kind and supportive to everyone!
- One kind word can make someone smile for a full day
- Act with kindness as it is never wasted
- Always remember someone who supports you
- It may be hard to support but hard is not impossible

May 2017

You are our spiritual support that make us believe in the AAD and its deaf community service.

June 2017

Compliment friends every day! Remind friends of their own worth! Be prepared for difficult times! Love is more understanding with age! Working to improve yourself is more difficult than wanting to improve yourself!

July 2017

If you love to volunteer, you will find good in everything.

August 2017

A thankful and kind heart is the greatest virtue! The little things you do help make a huge difference. I hope you will stand up for AAD and be counted as a new member because we need YOU!

September 2017

Let's come together and be the solution! Please realize that there is no such thing as perfection, but get hey, by not being negative, we can get involved to make it better for everyone.

October 2017

Members have a special bond. The board believes in them because they believe in us. A unique combination of membership and friendship becomes stronger together than apart.

November 2017

Once again, PLEASE always walk carefully once you get out of your car on the AAD parking area. Thanks!

December 2017

We wish you a wonderful year, 2018, that your dreams come true; that you stay happy, healthy, and sweet; that we always need and support each other as a whole family. Happy 2018!

President Jo

HAPPY NEW YEAR

" The Old Hollywood New Year's Eve 2017 ringing into the year 2018 event was a smashing success! There were wonderful finger foods, a delicious Marilyn Monroe themed drink, yummy mini-desserts, and champagne at midnight that kept our friends and family happy throughout the night. The music was booming, the bar was pouring, amazing pictures were taken with our awesome backdrop, people were dancing, fun games were played with monetary prizes, and best of all - smiles, conversations, and hugs were shared. This will definitely be a New Years Eve to remember - especially with the rare bit of snow we had outside. We would like to give a special thanks to our committee, volunteers, non-members, and members for supporting the Austin Deaf Club with great success for this special event. Happy New Year! Make it a great one! "
