President's Musings

Jo Bienvenu

Greetings

Today is May 2nd -Thursday and I am very cold. Is May bringing spring or winter??

Last weekend, we were supposed to have thunderstorms but did not ... thank goodness for that, because the men and a few women worked in the backyard of the club!

We have a few chairperson for backyard, storage, and club repair committees; volunteers started working very hard right away. We hope chairpersons will keep track of volunteer names and provide us with a list so we can thank them personally somehow.

We rented a chipper for 8 hours, but ended up using it for twelve hours on Friday, Saturday, and Sunday. The

backyard looks better, BUT we still need to rake small limbs and leaves. There is a lot of work left to do, and Jerry McGaugh and his committee are working on it. Whatever you can do by helping us as a volunteer worker or by making a donation to the backyard fund would be greatly appreciated!

T - together

E - everyone

A - achieves

M - More!

The Executive Board tries to make the right decisions, even when they are unpopular; this does not always make us well-liked, but it always makes us good leaders for doing the right thing and doing our best for our club members and the deaf community.

With members help, we can have an awesome and amazing future! I strongly believe in members of the AAD!

Cheers!
