NEWSLETTER

President's Tidings Jo Bienvenu

Dearest AAD Members,

What a hectic time since the break-in incident. Since then, we had to take care of several things to ensure everything is back on the track. We contacted the electricity company, door company, ADT company, and explored the options of beer/soda cooler online and we had several meetings.

KVUE, Spectrum and The Daily Moth did a story with video about AAD break-in incident. Because of their story, they helped AAD tremendously as we have received a total of at least \$7,000.00 in money donations. We purchased a iPad set and we were able to install more electric outlets and several spotlights for our security. We also received two second handed TVs and iPod donations and many very nice chairs. The next important thing is that we need to our doors; and once they are done we will call ADT to activate the security system. The cooler is our last focus.

Hard to believe October is around the corner and we all know what it means, don't we? It is the month of membership RENEWALS, yay! We hope that you still believe in supporting AAD. Even after break-in and vandalism, we feel like that new beginnings are brand-new chances for everyone to feel our conscience to remain loyal to AAD. However, sometimes it is our members and friends' belief and attitude that need some change and positivity... smile! We try to search for new perspectives for the better of AAD and members.

October 20 - TSD Homecoming!
We decided that admission will be FREE to everyone including non-members for a change. We will see if it is true that more people are willing to come. Yes, we are under cash and we are always in need of more financial support from our community, but we are willing to make a change for once to see if it brings more people this year. Remember, our bartenders communicate in our native language, ASL— they can keep your beer in freezer until your next order, they can make special drinks for you, and the wait is always super short. The environment at AAD is always serenity with lights for us to see each other, comfortable chairs inside and outside— its a place we call home. We truly do not know a better place than AAD to mingle after TSD HC and we are excited to see each and every of you at AAD! Please bring your non-member friends. Let the good times roll!

Thank you all much for wonderful support and your loyalty! We appreciate EACH and every of you!

See many of you on October 20th!

Love and hugs,

President Jo
