Hello Members,

There are many things happening as we enter the month of May. First, I would like to thank all of the members who have been attending the AAD General meeting, which is usually hosted on every second Saturday of the month. It is very important for y'all to show up because the board will be sharing some updates! It is your responsibility as a member to know what is going on.

A rumor has gone around regarding whether AAD will reopen, since the State of Texas has been opening their businesses with no mask required. The answer is no, we are still not ready yet. However, I want to explain something important for this month: AAD will begin to turn on utilities (water, trash, etc.). AAD will be taking slow steps, and will be reopening for rental only.

See this storage container (the white unit)? This is our storage. We had it inspected and found the electric wire was too close to it, which was unacceptable. They recommended we move it. It has been years now and we are due for inspection. We haven't fixed it yet. This is one of few instances that we are not able to open to the public, yet. However, we would like to prompt that we are available for rental.

I would like to mention something else: there is a Deaf club that re-opened in another state. They hosted a poker event, and one of their members got COVID positive and passed away. This situation invoked in us a deep consideration about how we handle our member services here. We do care about your health and safety. It is becoming more likely that we will reopen this year, and we will keep you in the loop. I will also be making Vlogs to explain more details about AAD's re-opening for the public. We do appreciate your amazing support. Lastly, I want to let you know that the Board will host a cleaning day at AAD on Saturday, May 22nd for the entire day. Stay on the lookout for a flyer! Members are welcome to come help us clean out this place! Many thanks!

TRIVIA QUESTIONS OF THE MONTH:

Hint: Check austindeafclub.org or "Austin Deaf Club Members Only" group on Facebook, you can find answer, enjoy and write down during your rest day here!

1. In the picture, it was established Austin Deaf Club in 1947. Where it was at?
2. In the picture, the land was purchased to build the Austin Deaf Club. Who are these men?

**MOTHER'S DAY:**

The person / people who have created you, and influenced you with love. Remember them whether they are on earth, in heaven, lives far - or close to you. For all who care for child(ren): biological mom, adopted mother, foster mother, aunt, grandmother(s), great grandmother(s), Mr. Mom, 2 moms, trans-couples. This is not just for children, but mothers also care for their pets, too!

MEMORIAL DAY:

To remember and honor the courageous female and male soldiers who have fought in wars, and died for our country. We thank you.
